---

1. Product: Fresh Bakery. Absolutely delicious almond croissants and fresh bread. The counter staff greeted us warmly and service was super prompt. 5 stars!

2. Product: Filter Coffee. The aroma and flavor of the freshly brewed filter coffee is unbeatable. Consistently the best in town.

3. Product: Billing Counter. Billing queue was unacceptably long during evening peak hours. Only one billing terminal was operational while 12 customers were waiting in line.

4. Product: Daily Groceries. Very clean dining and shopping area. Aisles are well labeled and everything is freshly restocked every morning.

5. Product: Home Delivery. Order arrived 45 minutes later than promised and the paper bag was slightly torn. The items inside were fine but delivery tracking needs serious improvement.

6. Product: Customer Service. Staff members went above and beyond to help find specialty gluten-free items. Very courteous and well-trained team.

7. Product: Pastries & Cakes. Ordered a red velvet birthday cake. The sponge was remarkably soft, frosting was not overly sweet, and the presentation was top notch.

8. Product: Parking Facility. Finding car parking during the weekend lunch hour is extremely difficult. The valet staff was helpful but the parking lot capacity is inadequate.

9. Product: Snacks & Savories. Hot samosas and cutlets are crispy and fresh. Great value for money and hygienic packaging.

10. Product: Billing Counter. Quick tap-to-pay checkout today took less than 30 seconds. Seamless digital payment experience.

11. Product: Beverages. Fresh fruit smoothies are very refreshing, but they ran out of crushed ice around 3 PM on Sunday.

12. Product: Fresh Bakery. The whole wheat sourdough loaf had great crust and texture. Will definitely come back for weekly bread supplies.

13. Product: Store Ambience. Lovely air-conditioned seating area with subtle background music. Great environment to relax with friends or work on a laptop.

14. Product: Customer Service. Cashier was uncharacteristically rude when asked for a printed itemized tax invoice. Attitude could be improved.

15. Product: Organic Groceries. High quality organic honey and dry fruits. A bit pricier than local supermarkets, but the freshness justifies the cost.

16. Product: Tea & Chai. Elaichi masala chai is brewed fresh to order and served piping hot. Authentic homestyle taste.

17. Product: Cleanliness. Dining tables were cleared and sanitized immediately after customers left. Outstanding hygiene standards throughout the store.

18. Product: Breakfast Menu. Morning combo of idli, medu vada, and sambar was exceptionally good. Sambar was hot and full of shallot flavor.

19. Product: Billing Counter. Software took two attempts to scan UPI QR code. Cashier handled it patiently, but newer scanner hardware would speed things up.

20. Product: Sweets & Desserts. Gulab jamuns and rasmalai were fresh, melt-in-the-mouth, and properly chilled. Beautiful gift packaging available for festivals.

21. Product: Restroom Hygiene. Restroom facilities on the first floor were spotless, stocked with soap and hand dryer worked properly.

22. Product: Home Delivery. Delivered within 20 minutes via online order. Everything was hot, well-packed with tamper-evident seals.

23. Product: Pricing & Value. Prices have increased by nearly 15% across several snack items over the last quarter. Portions feel slightly smaller than before.

24. Product: Filter Coffee. Authentic South Indian filter coffee with frothy texture. Perfect temperature and balanced sweetness.

25. Product: Customer Service. Manager was very proactive and replaced an accidental wrong drink order with a smile and apologized sincerely.
